 **tachnako (@N3tachnK0)** 04/29/2023 4:59 PM
i didn't realize she posted it until 2 days ago
I reported it to pete yesterday
then she admin abused on me cuz I wouldn't talk to her
and then I got pissed and decided to break the news
I reported it anonymously at first because me and her both play Twisted, and I didn't want any potential drama spilling over to it (edited)

Because the message is a DM and didn't happen in the server itself. It being half year old is a very valid argument aswell. There's no context to this whatsoever and isn't this considered leaking? Anything that is in DMs between two individuals should be a private matter. If you feel threatened by it somehow, you or the person who sent this (presuming it wasn't you yourself) can report it to Discord although I don't realize what is the problem in this?
